### Superintendent's Highlights

First year as a Superintendent and the community has been very supportive and in fact showed there support by passing a general bond for remodeling of the high school.

The Teachers have been positive and very supportive to everything they have been asked to do.

Successful mentor program for our category I, II and III teachers as well as for the mentors that helped them all year. We met once a month and it was nice to have everyone share some of their experiences and best lessons with everyone.

Seeing the growth of new administrators and share in the experiences of seasoned and experienced administrators.

Watching the academic growth of students and to experience in some of their successes.

Community barbecue for the District to show their appreciation to all the volunteers that help the district run so smoothly. This event really brought the community together.
